Smart ID Card Reader

The CSMARTID is your best friend for your online tax reporting, online banking and online identification. At the moment only Belgium and Spain are using this technology, but who know which countries will follow. The CSMARTID is fully compatible with Windows XP, Vista and 7 and the necessary applications in Spain (DNIe) and Belgium (eID).

Highlights

- Compatible with eID (Belgium) and DNIe (Spain)
- Identify yourself when necessary. All you have to do is insert the card in the reader. All your details then appear automatically on the PC screen
- Authenticate yourself. This is a way of checking that you are who you say you are. That can be useful on the internet or to enable your children to chat in safety
- Place a legally binding electronic signature on electronic documents

Orderinformation

Product Code :	CSMARTID
Order Code :	C05-163
EAN Code :	8714909022460
In a Box :	20

CSMARTID C05-163
